ESTABLISHED IN 1985

The success of Pinnacle Real Estate has been a collaborative effort for nearly four decades. We have never been satisfied with the status quo so we are constantly striving to raise the proverbial "bar."

MORE LOCAL, MORE KNOWLEDGEABLE

We create long lasting client relationships, through each unique buying and selling experience... one home at a time.

Pinnacle Estate Properties, Inc. is recognized as one of the most innovative brokerages in Southern California.

From the beginning in 1985, we dared to be different because we knew that real estate needed to be practiced with a unique flair, an uncommon knowledge and brilliance in sync with the distinguished clientele looking to us for representation.

Today, making good on the promise to be a leader and differentiator, we help clients buy and sell more homes in our primary markets than any other company.

With over 800 agents, be assured they are among the most educated and experienced in the business. When it comes to providing personal attention and unequivocal market knowledge to every person we're entrusted to represent, we firmly believe that quality far outweighs quantity.
